## M E S S A G E

Dear Members,

It gives me great pleasure to bring out the new publication of our Members Directory, 2017. This edition includes amendments and latest information of our members since the last publication in 2014.

Our Association was initiated in 1988 by a few retired Planters and now we have 287 members, which is a great achievement. It is commendable that our Executive Committee Members with the help of our members are running the Association extremely well.

However over the years we are sad to report that a number of our Planter members have passed away.

During the year we organise 8 Member Meetings, which are well attended and gives an opportunity for our members to reminisce our glorious days in Tea.

A Web Site has been created [www.pwa.in](http://www.pwa.in) and regular updates are carried out, which include bi-annual News Letters, pictures of various Members Meetings and activities.

It is encouraging that with modern, speedy & reliable technological trends we have a very effective communication network by emails and recently introduced Bulk SMS text messages & WhatsApp group. This enables us to contact members more efficiently. The old system of paper circulation is being eradicated.

We are extremely grateful to our Tea Companies for their regular support and donations, which is greatly appreciated.

I thank all those Tea companies who have been involved in this arduous project. My sincere gratitude to the advertisers who have whole heartedly supported the Directory.
